1. Find a clean & level place to begin the assembly of your CALLISTO Pool Table. The table will be assembled upside down & then turned over onto its legs once the assembly is completed – this is heavy & turning it over will require two strong adults.

2. Remove all parts from the box & verify that you have all the pieces that are listed on the 'Parts Identifier'. Carefully cut or tear the four corners of the box so that the bottom can be used as your work surface. Save all packing materials until the parts have been inspected & the table is assembled.

3. Attach the legs (#2) to the main cabinet (#1) using 3 bolts (#6) & 3 washers (#7) per leg with #4 allen key.
4. Attach the leg panels #3 to the legs using 6 screws (#8) per panel.
5. Screw the leg levellers (#5) into the legs.
6. Lift the table assembly from the floor with at least two strong adults, turn it over & set it down on its legs.

You are now ready to play!
